INTRODUCTION

I'm an active student at University Nusantara PGRI Kediri majoring in Information Systems.

I have a strong dedication to becoming a software engineer, particularly in the field of front end development.

My keen interest lies in React JS, and over the past few years, I have independently explored various new

Technologies in web development through online resources.

EDUCATION

University Nusantara PGRI Kediri   2022 - Present

Information Systems

Current GPA: 3.73

SMKN 1 Kediri

Mechanical Engineering   2019 - 2022
